

## **Every Time I Feel the Spirit**

O, when I feel, O, when I feel, yes, when I feel, when I feel the Spirit mov-in' I pray.

Upon the mountain, when my Lord spoke, out of his mouth came fire and smoke.

O, every time I feel the Spirit mov-in' in my heart I will pray. O, every time I feel the Spirit mov-in' in my heart I will pray, will pray.

Ol' Jordan river, so chilly and cold; it chills the body, not the soul. Oo, with my Lord Jesus I remain. O, every time I feel the Spirit mov-in' in my heart I will pray. O, every time I feel the Spirit move-in' in my heart I will pray.

O, when I feel, O, when I fell; yes, when I feel; When I feel the Spirit mov'in I pray. O, when I feel the Spirit mov-in', I will pray.
